Cuts, cuts, cuts.....where will they hit first?

**We don't know, Barnardo's does not know.
But we do know that some cuts to jobs under this new
government's plan are inevitable.**

***So if you have ever thought of getting more
active in your union, now is the time***

**We have places available on a training course for new stewards.
The course will give you the skills and knowledge to represent
members in many situations such as disciplinary, grievance and
redundancies and restructuring. This course has been adapted
specifically for Barnardo's stewards.**

Date: January 19th-21st 2011

Venue: Branch Office, Birmingham West Midlands

Travel, Expenses and accommodation is all provided

**If you are interested please contact the Branch Office for more
details and we will also put you in touch with your local convenor
for an informal chat**
